

PRIYANSH KANOJE

B.TECH. - COMPUTER SCIENCE ENGINEERING
PARUL UNIVERSITY, VADODARA GUJARAT, INDIA

PROFILE

Seeking a beginner role to enhance and explore my technical knowledge, and skills gained through my life. Possess excellent communication skills with an attitude of learning new technologies in various domains including technical and non-technical fields and have an eye for detail. Flexible to work in any environment as required which makes me a calm and delighted person who believes in work efficiency also, engaged in various social and co-curricular activities which helps me build a strong work ethic, creativity, professional attitude, leadership qualities, and various skills. My motto is that wisdom comes with a great amount of experience and that's why I never sway away from doing whatever I wanted to do just because of the phobia of losing something.
